Granby High School Football Supporters Mission

Keep the dream alive!

On January 16, 2008, the Granby Board of Education approved the formation of a football team at the high school level for the fall of 2008!

Our mission is to raise 100% of funds to financially support the promotion, development and maintenance of a football program for the students of Granby Memorial High School and the community.

We had a wonderful first season, 6 wins and 2 losses. We had a full team of 44 players and many more boys interested for the 2009 season!

All funds raised by the Golf Tournament and Auction will go directly to the football program.
